

**6 OUT OF 10  
EMPLOYERS IDENTIFY  
COST SAVINGS AS  
A SIGNIFICANT  
BENEFIT TO REMOTE  
WORKING POLICIES<sup>3</sup>**

Companies, especially SMEs, are becoming increasingly mobile - 77% offer flexible working and 45% hot-desking, according to the latest research.<sup>1</sup>

**58%**

of UK workers think the traditional office will not exist by 2020.<sup>2</sup>

**56%**

believe they will work from home or a remote hub rather than commuting to work.<sup>2</sup>

**83%**

feel that technology has helped them to become more productive in the last 10 years.<sup>2</sup>
